

## **ABOUT THINKBOX**

The company now known as **THINKBOX LTD** began presenting personal and professional development training in 1993 as **DS Rapport Consultants Ltd.** During the years the company has grown to become one of the most respected and leading-edge corporate training establishment. It is now operating under the name **THINKBOX LTD** which is a company that took over the operations of **DS Rapport Consultants Ltd.**

### **Why choose THINKBOX LTD?**

THINKBOX consistently consistently delivers high quality training seminars and workshops.

#### **Being different**

Not all training companies are the same. We are proud of the unique services we offer and continually look for ways to expand the value we give to our clients.

#### **Course workbooks**

We pride ourselves on producing high quality, cost-effective training courses. Each course comes with a course manual that doubles as a post course workbook and action plan. We always encourage delegates to share relevant learning points with their colleagues.

#### **Discounts for multiple bookings**

Very few organisations have unlimited funds for training. We often work with organisations to find

creative ways of stretching tight budgets to produce meaningful training programmes. Not only are we highly competitive but we also offer discounts for organisations requiring mid to long term training solutions. Please contact us to discuss your requirements and how we may help you.

#### **Bespoke courses**

Our aim is to produce in-company courses that satisfy the needs of both the organisation and the course delegates. We work closely with course organisers on the most appropriate choices for course topics/agendas so that the course they book is the course that will best satisfy their needs.

#### **Experience**

Since our creation, we have taught over twenty thousand people, from all walks of life, the skills, techniques and knowledge that helped them to achieve a higher quality of life.
